PLANIMETRIA DI DETTAGLIO 2 di 10

The planimetric map shows a road layout with various technical annotations. Key features include:

- Accesso carroia** (Carriage access) and **accesso pedonale** (Pedestrian access) points marked along the road.
- cordolo da ripristinare** (Curb to be restored) areas indicated by dashed red lines.
- Section markers **4**, **5**, and **6** along the road.
- A scale bar at the bottom left indicating distances from 0 to 12.5 meters.
- A north arrow pointing towards the top left.

Three ground-level photographs are included at the bottom, corresponding to the section markers:

- 4**: A view of the road from the left side, showing a white line and a blue sign with the number 2.
- 5**: A view of the road from the left side, showing a white line and a blue sign with the number 2.
- 6**: A view of the road from the left side, showing a white line and a blue sign with the number 2.
